The evangelism and outreach plans for 2011 are exciting! There are two broadcasts scheduled throughout the year that will provide ways to invite the community into your church to learn more about creationism and archaeology, hot topics of the day. The quality seminars hosted by Ron Clouzet and his knowledgeable guest scientists will appeal to many. See pastor's resource packet for details.

On January 8, the Day of Prayer and Reformation, tune in on Hope Church Channel to enhance your New Year's services and to refocus for 2011. The programs are designed to make your Day of Prayer a real inspirational feast and one of renewed commitment. Begin now to subscribe to the five points of REACH North America. The first, REACH UP, is about revival and reformation. Begin the new year with a resolve to REACH UP to enjoy a vibrant and joyful relationship with Jesus. See below for more broadcast information.

Visit the home page for Prophecies Decoded to view a video clip about the series. Use the piece to inform your board and church members regarding content and vision for the **NET series beginning September 30. It's not too early to register.** Plan now to make the entire new year one devoted to the work of the Lord.

NET 2011—Prophecies Decoded: Does the Past Reveal Your Future?

Ron Clouzet, speaker

To learn more about Ron Clouzet, his testimony and his invitation to you, visit <http://host.propheciesdecoded.com>.

Prophecies Decoded—live from the Madison Campus Church, Nashville, Tennessee, will be broadcast on Hope TV. Pastors are invited to consider the evangelistic option and to begin preparing by getting board approval and member support.

Churches may **register as a host site by calling 855-NET-2011 or online at <http://host.propheciesdecoded.com>**. The website, designed especially for the event, carries information about a year of outreach seminars and other ways to impact the community for Christ. Begin talking about the NET event in your church. Give members an opportunity to understand the evangelism initiative for next year and to commit personally to it.

Conference presidents may request a NET team member to make a presentation to pastors during winter worker's meetings. Let us know if you have an interest in this service. Many presidents and ministerial secretaries coordinate conference goals with NAD evangelism resources. If there are requests for specific materials, we'll be happy to assist.

Prophecies Decoded Resources
