So as we connect with our friends, neighbors, and acquaintances, remember that AdventSource is the place to find resources, information, and support for your ministry. These resources can help make your desire to share Jesus with others into an effective outreach. Together we can tell the world of a wonderful Savior.

## Women's Ministries — EMPHASIS DAY —

Women's Ministries Emphasis Day is an annual event on the Seventh-day Adventist Church's Calendar of Days and Events. The Women's Ministries leader should meet with their pastor at least six months prior to this day to discuss special plans for this Sabbath. This is an opportunity to plan a full day of activities including Sabbath School, the worship service, a fellowship dinner, and perhaps an afternoon program. The leader may also want to use this time to honor women in the congregation who have done something unusual or outstanding.

\*If the second Sabbath in June is not a convenient date for your church to observe Women's Ministries Emphasis Day, please work with your pastor to find another date.

## Break the Silence About Abuse

In the U.S. one in three girls and one in five boys will be sexually abused before age 18. Most abuse happens when children are between ages 7 and 13, and the average victim is 9-10 years old. Victims and their families are acquainted with the abuser in more than 90 percent of cases. (Source: Adventist Risk Management)

In addition, more than 12 million women and men are victims of rape, physical violence, or stalking by an intimate partner each year, and nearly three in 10 women and one in 10 men has been the victim of violence perpetrated by a partner. (Source: National Domestic Violence Hotline)

The Seventh-day Adventist Church recognizes that abuse affects children, women, and men within the church and community. In response, departments at the North American Division and Adventist Risk Management created an enditnow campaign you can launch in your church and community to help break the cycle of abuse. You can launch this campaign on enditnow Sabbath, which is the fourth Sabbath in August, or on another Sabbath that works for your church.

By launching an enditnow campaign, you can help raise awareness of this important issue in your church and community. You can also turn your church into a safe place for victims. Visit [enditnownorthamerica.org](http://enditnownorthamerica.org) for more information and resources.
