## Share and Care

### ***Last Summer Push***

“Regardless of your mass advertising plans, the most important preparation step for public meetings is connection with the community”, urges Ron Clouzet. Have you had the chance to do that this summer? Whether your church has or hasn’t, there is one last chance.

There are still a few weeks left before summer is over and school starts again. Why not plan a bridge-building event for the sake of your community? A Health Expo at the local mall, a Parenting Seminar, or a Vegetarian Cooking School. Any of these, well done and organized, will yield good results. Remember to have members trained to make friends with guests, to relate to them, to take their names and lives into their hearts for prayer. Perhaps some of them will come to the Bible meetings in the fall when you invite them.

During these last two months before *Prophecies Decoded*, it is time to review your prep list to make sure everything has been cared for. Have you ordered handbills, print items and Bibles? Have you planned well in the area of advertising? Did you check out your satellite dish and Hope Church Channel to make sure you are receiving programming on the channel. For technical assistance, call 855-NET-2011.

**Your church can still register to host Astonishing Discoveries or Prophecies Decoded. Visit <http://host.propheciesdecoded.com> or call 855-NET-2011.** Begin planning now to join the NET 2011 team that is committed to mission and outreach so that Jesus can come soon.

### Planning Calendar

**July:** Plan advertising for *Astonishing Discoveries* and *Prophecies Decoded*.  
Order handbills and printed materials.  
Prepare members to pray for and invite friends and family.  
Plan for Bible study support and follow-up.

### We have a mission. How will we implement the mission?

The Seventh-day Adventist Church states as its mission “To make disciples of all people, communicating the everlasting gospel in the context of the Three Angels’ Messages of Revelation 14:6-12, leading them to accept Jesus as their personal Savior and unite with His remnant Church, disciplining them to serve Him as Lord and preparing them for His soon return.”

Simply put, “We aim to reach North America and the world with Seventh-day Adventism’s distinctive message of Hope and Wholeness.”
