

## Spinning Yarn

---

### Instructor required

1. Describe the history or progression of spinning.

---

---

---

---

2. Name at least three types of animal fibers spun today.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

3. Name at least one non-animal fiber spun today.

1. \_\_\_\_\_

4. Describe why wool lends itself more to spinning over other animal fibers.

---

---

---

---

5. What is the largest source of hand spun wool in your region or country?

---

---

---

---

6. Find at least three references in the Bible concerning the development of wool materials.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

7. Define the following terms:

a. Spinning in the grease

---

---

b. Rolag

---

---

c. Carding

---

---

d. Teasing

---

---

e. Whorl

---

---

f. Plied yarn

---

---

8. Identify the three main categories of spindles. Find examples of each.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

9. Construct a drop spindle and demonstrate its use.

Date completed \_\_\_\_\_

10. Explain the steps of turning fiber into yarn.

Date completed \_\_\_\_\_

- 11. Demonstrate the carding of any type of animal fiber.

Date completed \_\_\_\_\_

- 12. Spin at least ten feet of yarn using a drop spindle.

Date completed \_\_\_\_\_

- 13. Read Matthew 6:28-30. How can you relate what you have experienced in this honor to Jesus' words?
