

Forward

Jesus taught with word pictures, commonly known as parables. Sometimes the pictures seemed strange. For example: "The kingdom of heaven is like a mustard seed..." Or, "The kingdom of heaven is like leaven..." These parables in the 13th chapter of Matthew demonstrate how Jesus used common pictures to help listeners remember the point that He was making. Therefore, the techniques used in this course have been used for centuries, and you will experience the joy of Bible study that will last a lifetime. As your confidence with God's Word grows, it will also attract others to want to know the Bible too. Share "The Gospel Memory Course" with them and watch your church grow, spiritually and numerically.

Purpose

The purpose of this course is to provide Christians of all denominations a creative, effective, and fun way to remember where to find something in the New Testament. The purpose is not to teach doctrine, nor to explain points of theology. It is appropriate for anyone of any Christian belief. Allow the Holy Spirit to teach you as you become familiar with God's Word.

Acknowledgements

Many thanks to those who inspired me to develop this course – my wife, Cathy, for her support and who quizzed me and played the memory game while traveling from church to church; Dr. Richard Fredericks, one of my college professors, friend and colleague in ministry, who indirectly inspired me by stating that he believed a prerequisite to graduating with a B.A. in Theology should be the ability to walk through the entire New Testament, knowing something about each chapter; members in my previous and current churches who attended my Bible Memory Course still in the making; and Kevin Trudeau, whose "Mega Memory" program gave me the tools and techniques, though ancient in origin, to develop this Gospel Memory Course.

Most of all, I acknowledge the Spirit of God, who inspires all good things, and promises to "bring to your remembrance all things that I said to you." (John 14:26) May all the glory and honor and praise be unto God our Father and Lord Jesus Christ.

Testimonies from Previous Students of the Gospel Memory Course

“I was lucky enough to be a part of Chester Hitchcock’s Gospel Memory Course given in our church. I never would have believed we could learn so much and have so much fun.” - John H. Drew

I am so excited about Chester Hitchcock’s Memory Course. It is topnotch. It is not only a wonderful way to remember scriptures, but also loads of fun. I recommend it highly.” - Sandra Drew

“Since my age tells me I am a senior citizen, and my mind sometimes seems to be forgetful, I found the funny and sometimes crazy word pictures in the Gospel Memory Course to be very helpful in remembering the key points in each of the chapters in the books of the New Testament...Turning on a light switch in a room can turn on a memory of the Star of Bethlehem in Matthew, chapter 2, and then turn water into wine in John, chapter 2. Jesus used simple things to help the people remember, and we can use these simple things in the ‘Tree List’ to help us remember and locate oints in the Bible.” - Pat Mathis

“I’ve always heard that “a picture is worth a thousand words”...A picture planted in our minds...would be easier to grasp than just words and numbers. The repetition of the ‘Tree List’ helped tremendously also.”

- Mary K. Johns

“When Pastor Hitchcock asked if we would like to take a memory course, at first I hesitated; I was afraid I might be embarrassed, exposing my poor memory, but to my pleasant surprise, the course was fun and easy. You not only learn a thought from each chapter, but you also remember the sequence of the books, making it easier to find the texts.” - Harry H. Slough, DDS

Introduction

Jesus promised:

"But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and bring to your remembrance all things that I said to you."
(John 14:26)

If you have been looking for a creative, effective and fun way to learn how to find a topic or verse in scripture, then look no further; here it is. With this innovative Bible memory program, you can take your memory to heights that you never thought possible.

You can stop at any point and know that you have achieved amazing breakthroughs in your personal Bible knowledge. Some have learned only one or two books and get excited every time they hear someone talk about this course. Some decided that all they wanted to do was to learn the four accounts of the Gospel. What an accomplishment! Eighty-nine chapters, all filed neatly in your memory. Others made a commitment to go through the entire New Testament, a total of 260 chapters.

Some use the biblical stories that I have chosen for each chapter, and others choose different stories. Some have done the course alone, others with a study group. You decide how it will best serve your needs.

While the audiocassettes are not to be duplicated, the pages in the workbook may be duplicated for handouts in group studies. Have fun, and God bless.

Prayer:

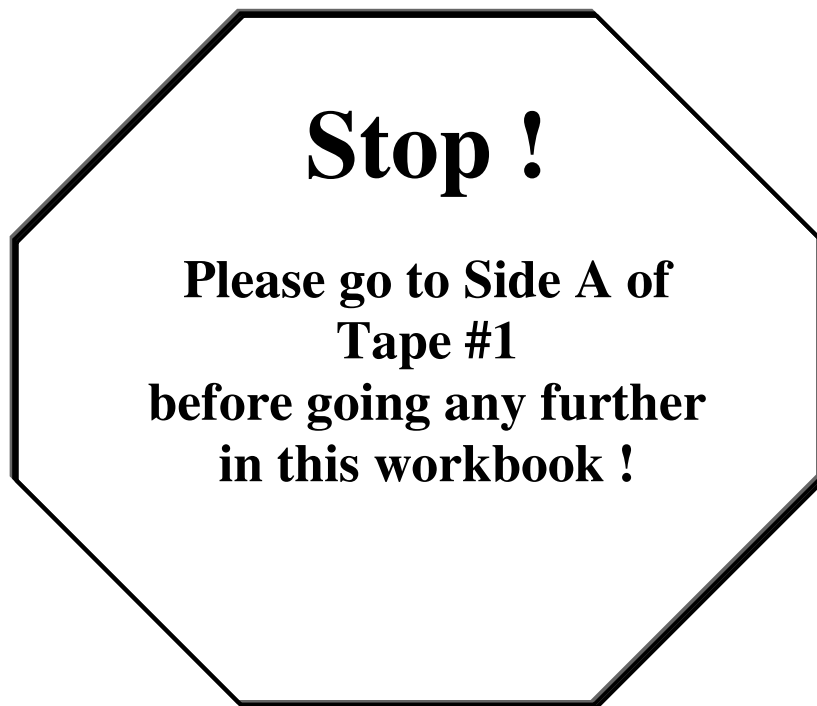

Father, thank you for loving us so much that you allowed your Son, Jesus Christ, to die in our place, that we can have salvation through Him. We know that we are unworthy of Your love, but because of Jesus, we also know how much we are worth to You. Because You have shown us how much we are worth to You, and how much we are loved by You, we want to tell others of Your love. To do that, we are completely dependent upon the Holy Spirit to teach us what to say as we witness to others about You. We thank You for your promise that the Holy Spirit will "bring to our remembrance" all that Jesus said. It is our desire to work with the Holy Spirit, by spending time in Your Word, and by using whatever tools that You have made available to enhance our memory. Please bless our efforts as we do this course, that we might be better able to witness of Your love to others. In Jesus' name, Amen.

Dear Bible Student;

I pray that you will enjoy taking this course as much as I enjoyed developing it. This workbook is a very minor part of the course. The course will be far more useful to you if you follow the instruction closely, and not go to the workbook before listening to each tape.

Have fun, and God bless,

Chester Hitchcock

Lesson Fifteen

This lesson is a review of the entire New Testament, found on Side 1 of Tape #8. In this lesson, we go through each chapter quickly, without the silly stories. Your mind will see the story and give you the memory points much quicker than you can speak them. Whenever possible, listen to the tape and see how well you keep up. An alternative is to walk through the New Testament in your mind, without speaking – just seeing, and moving on. You will be amazed!

Finally, I would encourage you to learn with friends and family members, and make a game out of it whenever and wherever possible. It is a great pastime for traveling as a family. For example, have one of the children do the Book of Mark backwards, have another do the Book of John. My wife and I call this the memory game. It is fun, challenging, and will turn a long trip into a fun trip.

Have fun!
