#### Share and Care

There are some **very important items covered in this issue of REACH North America News**. They are a must when it comes to being ready for Prophecies Decoded.

**Decoding Bible Prophecy.** Ron Clouzet has just finished a second book that he is planning to give out the second weekend of the meetings. He will mention **Decoding Bible Prophecy** during the broadcast so it is important that the host sites have a supply on hand to distribute at the same time they do in Nashville.

**Andrews Outreach Bible.** Dr. Clouzet will be referencing scripture from the official Bible of Net 2011. It will be easier to follow along and to find passages if everyone is using the same Bible.

**Scripture Detective Agency.** A special series for children's meetings was designed to coordinate with Dr. Clouzet's sermon each evening. If you are planning for children, it is strongly urged that this series be selected. Churches would need to purchase the director's manual and kits for each of the children.

It is necessary to **place your orders immediately**. There are only a few short weeks remaining before the series begins. Usually pastors want everything in hand well before opening night. Children's leaders need time to acquaint themselves with the material and to prepare the program. So, order today!

As we make final preparations for NET 2011, prayer becomes an even greater necessity. **Activate and encourage your prayer warriors** to uphold the series before God. Designate a special time of prayer or period when your church focuses on the outpouring of the Holy Spirit. Utilize Ron Clouzet's book, *Adventism's Greatest Need*. Personal revival and transformation are essential to successful outreach.

1. **Andrews Outreach Bible.** This special evangelistic edition of the Andrews Study Bible is available at a very low price. Not only will your guests want it, but it should be a big incentive for the members to support it as well, so they can receive it. Usually it is given to those who attend 10 or more nights, but not taken home until the end of the meetings.
2. **Prophecy Seminar Lessons.** Dr. Clouzet will be mentioning these as supplemental help for each evening, sort of like homework. Your site will be confused if you do not have them to pass out. The manual tells you what lesson is given out each night.
3. Clouzet's new book on Prophetic Interpretation, ***Decoding Bible Prophecy***. This inexpensive book is a major giveaway and is advertised in the handbill. PLEASE NOTE THIS BOOK IS NOT TO BE PASSED OUT ON OPENING NIGHT, BUT ON THE SECOND WEEKEND. (This is a change from the Net 2011 Manual.) You will not receive it with the other materials, but it will arrive in time for its distribution on the second weekend.
4. Children's materials. A complete series of children's programming—***Scripture Detective Agency***--goes along with each of Clouzet's sermons. A children's program will greatly enhance attendance. There is an extensive manual for teachers and small kits for each participant.
5. **Happiness Digest** by Ellen White will be distributed on the last Sabbath morning when Ron preaches on Ellen White. Plan to have enough on hand.
6. **Sermon Outlines.** Outlines of Clouzet's sermons are to be passed out each night. They can be downloaded from the host site and printed as needed. Or, you may order from Color Press.
7. **Decision cards.** There are 5 decision cards and one response card. The response card will be used every night. The decision cards will be used periodically, one time for each card. You may download from this web site and print them, or you may order them from Color Press.

In addition, there are many other useful tools. However they are optional. Please look over the list on the order form and order what you find most helpful to your church.

### Book table

It is important that people receive multiple exposures to each truth presented. One of the ways to do this is by offering inexpensive literature on a book table to sell to the participants each night. This costs the meeting nothing, because the people purchase the items. The speaker will mention the book table periodically, so be prepared with resources.

### Row hosts

Choose people that you know will make a good impression on visitors and then provide them with the training that will enable them to function successfully in this important role. Remember, the job description is found in the manual as is everything you need to know to organize your meeting.

### Advertising the series

Newspaper ads in a variety of sizes and in black and white or color are online to be downloaded onto a disc or to be emailed to your local newspaper office. The editor will have the professional version of Adobe Acrobat which will make it possible to add your local information to the ad. Right click on the ad and choose Save target as.

Mini-handbills can still be ordered for members to distribute. There are banners and posters online at [www.adventistevangelism.com](http://www.adventistevangelism.com).

### La Voz de la Esperanza's Effort in New York City

**Voice of Hope**, a four-day reaping event led by La Voz Speaker/Director Frank González, will be held at the Lincoln Center for the Performing Arts, August 31 to September 3. La Voz chose New York City to coordinate with the Division's emphasis on big city evangelism.
