## Share and Care

A church in the North Pacific Union that recently hosted the Creation-Evolution seminar is praising God for the seminar!

Located across the street from a Baptist church, the sign about the series attracted the attention of the Baptist preacher. The pastor and some of his family attended the creation meetings and have since also attended Sabbath programs. This past week the pastor, his wife and their five children attended the worship service and stayed to enjoy fellowship dinner.

Members are praying that the Holy Spirit will continue to work with this family and that their eyes will be opened to more truths of the Bible.

*God longs to do amazing things through you.  
He will open amazing doors of opportunity  
for you to share His last-day message  
with your family, friends, and neighbors.  
What a privilege!*

## Have you checked out Ron Clouzet's blog?

(<http://pray4net.blogspot.com/2011/05/end-of-world-musings.html>)?

Clouzet has recently posted his thoughts and concerns about the non-event of last Sabbath. He is asking for prayer warriors to begin praying. He wonders if the media attention it harnessed may create problems for the fall evangelism plans—or maybe not. Pastor Clouzet invites you to become active in praying for God's leading and blessing on plans for outreach and evangelism this year. **Register online today.**
