Share and Care

Mark Finley, successful evangelist and author of *Revive Us Again*, wrote on page 107: *"The same Holy Spirit that was poured out on the New Testament believers to launch the church in Acts will be poured out more abundantly in the latter rain to finish the work of God on earth. God did the impossible in the first century and He will do it again. God worked miracles then and He will work miracles now."*

Ellen White put it this way: *"All that the apostles did, every church member today is to do. And we are to work with as much more fervor, to be accompanied by the Holy Spirit in as much greater measure, as the increase of wickedness demands a more decided call to repentance."* (Review and Herald, January 13, 1903)

How is your faith today? Do you believe that God will pour out the Holy Spirit upon your congregation as they do the work of God? Do you believe He can still work miracles for you?

There's still time to put your faith into action. *In the Beginning: Making Sense of the Creation-Evolution Debate* will begin about a month from now. It's not too late to organize the event and host it for your community. It's close but you can still order handbills and door hangers. Please visit www.adventistevangelism.com to place your order.

There are just 2 days left for registering as an early bird—April 1

What does that mean?

To Net 2011 Early Bird Churches

Thank you for engaging with NET 2011! The number of churches coming on board to date is at a faster pace than in the past, and there is a growing anticipation and enthusiasm regarding the pre-NET events as well as the NET prophecy meetings this year.

But as you can expect, when God is at work, the devil won't be far behind. We have had a few delays producing some of the materials promised to you. In addition, our costs have been higher than anticipated, and we've been forced to make some budgetary decisions.

The promised implementation DVD—*Partners in Evangelism*—and the 100-page Evangelism Manual, along with resource lists and order forms, and the book *Adventism's Greatest Need: The Outpouring of the Holy Spirit* will be on your way in early April. However, we will not be able to honor the pledge for multiple books we made last December. There will be three free books per church, and our recommendation is that you (the pastor) give two to key leaders in your church. The ideal would be to obtain enough copies to read/study together to aid in church renewal.

Nevertheless, we have placed the entire manual and all order forms on the website, <http://host.propheciesdecoded.com/resources> for quick access. The Evangelism Rally DVD will also be up on the website, as soon after the rally as possible.

Remember that *In the Beginning: Making Sense of the Creation-Evolution Debate* will be uplinked from Nashville May 4 to 8. Please use the [online order forms to order handbills and related promotional materials](#) right away, so your community can benefit from this sowing event. The final deadline for ordering mail-order handbills for this pre-NET event is April 6th.

Keep us in your prayers as we all continue to work with God's given opportunities!

Ron Clouzet invites you to join him in sharing the Good News!

Registration is a response of participation in an entire year of evangelism and outreach resources that culminate in a full message series by Ron Clouzet in September. It is not necessary to register for each event or even to host each event although churches are encouraged to follow the plan of preparation and reaping. However, once you do register, you will receive the manual which is also online, a DVD that guides you through the process of holding a series, countdown schedule, order forms for print items such as handbills and other resources.

Become a partner by calling 855-NET-2011 or register online at the host site.
