Share and Care

Are you becoming familiar with the manual for *Prophecies Decoded*?

It is now in the hands of 550 churches! Most of the churches that have registered thus far plan to host the creation-evolution seminar beginning one week from tonight! Great things are about to happen as we work together to do outreach and evangelism in 2011

Ron Clouzet says on page 24 of the manual, “The idea is to use these mini-series to generate interest among the community for quality programming that will help people come to your church or to your home. This can be a significant seed or bridge-building event for churches to help them make friends with others. As organizers of these meetings, we seek to accomplish two objectives. First, to generate credibility in the Bible as the Word of God. Second, to generate credibility in the speaker for the soon – to-follow prophecy meetings.

Many of those who’d come to these meetings would not normally come to a series of prophecy-based evangelistic meetings. They tend to be better educated, have good jobs/careers, and live in more expensive neighborhoods. However, our experience with the archaeology series has led us to believe they are very much interested in these topics instead. After five nights, with the grace of God, sufficient credibility is established and an interest in Bible prophecy is awakened.”

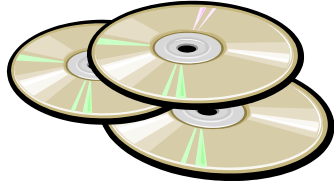

A quarter to a third of those attending the pre-NET meetings are likely to return for the full prophecy meetings.

NET 2011 Update

Dear Friend,

The Creation Evolution uplink is just a little over a week away and we are excited that such great interest in this has already been detected. I know it will be a blessing to your church and your friends as they attend this live event.

*We hope that you received the packet containing the manual for Net 2011 and the DVD sharing tips on how to prepare your church for the harvest God will send. The purpose of this email is to inform you that we **just discovered that there was a corrupted file on the DVD. It is the one to play for the church board.** We apologize for this. **We have placed the corrected file online on the website.** Please access this one instead of the one on the DVD. This is only for the message from Ron to the church board. The rest of the DVD is fine. To access and view or download this corrected file please go to the following address: <http://host.propheciesdecoded.com/boardappeal>*

Thank you for partnering with us for NET 2011. This journey promises to be an exciting adventure for the kingdom of God. Keep this event in your prayers over the next week as we are engaged in the final preparations.

Sincerely,

*Russell Burrill
NET 2011 Manager*
